OUR SPIRITS SOAR FLYING WELL OVER THE EARTH AS A BIRD

COMPETING IN POWERFUL WATERS

ADVENTURES OF NEW RELATIONSHIPS
REACHING OUT FOR ALL OTHERS

THE THRILL OF DISCOVERING ADVENTURE

The 1982 Ursa Maior Staff would like to express its appreciation to a very special lady, and dedicates this yearbook to Mrs. Marcia Goldfarb. You are always ready with a smile and a kind word. Thank you for sixteen years of hard work and being there at Branham High School.

And a youth said, Speak to us of Friendship.
Your friend is your needs answered.
He is your field which you sow with love and reap
with thanksgiving.
And he is your board and your fireside.
For you come to him with your hunger, and you seek
him for peace.
For without words, in friendship, all thoughts, all de-
sires, all expectations are born and shared with joy that is
unclaimed.
When you part from your friend, you grieve not;
For that which you love most in him may be clearer in
his absence, as the mountain to the climber is clearer
from the plain.
And in the sweetness of friendship let there be laugh-
ter, and sharing of pleasures.
For in the dew of little things the heart finds its morning
and is refreshed.

Brian,

Even though I hated Algebra, I always looked forward to talking to you. It's not often that I meet seniors that are as mature as you. You should be proud of yourself. I can tell that you will have a great time in high school. Your best years are coming up fast; be sure to keep your head and have fun. I wish you the best in all your endeavors, and remember, keep pumping that iron, you'll be bigger than me soon and I'll have to call you sir. I'll be sure to come back and see you next year.

With respect and friendship,

~~THE~~ To HULK-
THE "Monster"

This summer will be pretty cool, we will lift and turn in to super brutes, then next year we'll come back to Branham and we can walk on everyone! Sounds good huh? I hope we can lift until we are in the old folks home, and have good luck with it. We should also go to the beach a lot, maybe in the "Tempest." Well, maybe by the time summer is over you will have your squat rack. And then this place (your room) will be a real gym. Maybe this summer we can go to the Boardwalk and have some fun and you can eat too many hot dogs again and then you can get sick. I'll fix up my old 10-speed and we can ride to Santa Cruz or go with Steve on a bike trip. And then we can go to Tahoe and camp up there and swim in the freezing water or ~~swim~~ lift or jog in the thin air. Then next year we can go back to school and get our licenses and you can drive me around in your Studebaker and we'll run over some stoners or some big studs. and that year we can break all the lifting records and they will reward us with very much money and we can buy a gym in Hawaii and move over there and we can be competitive bodybuilders and we will be so rich from all of the contests we have won we can buy gyms all over the place and go anywhere and you won't worry about not being able to lift. Then when we get old, we can be bodybuilding consultants like Joe Weider and we will still be rich and we can make a Bodybuilders convalescent home and we can live in it. And then when we die, they will put R.I.P.E.D instead of R.I.P. on our tombstones. Well, I guess this is it.
Shane
